ABOUT US

The cornerstone of UNITEE’s activities stems from its uniqueness: it is the largest organisation that represents entrepreneurs and business professionals of a migrant background, whom we refer to as New Europeans, at the EU level.

An economically strong Europe...

...sustainable, social and smart

..drawing its strength from the diversity of its citizens

..seeking an even more harmonious and deeper relation with Turkey

VISION

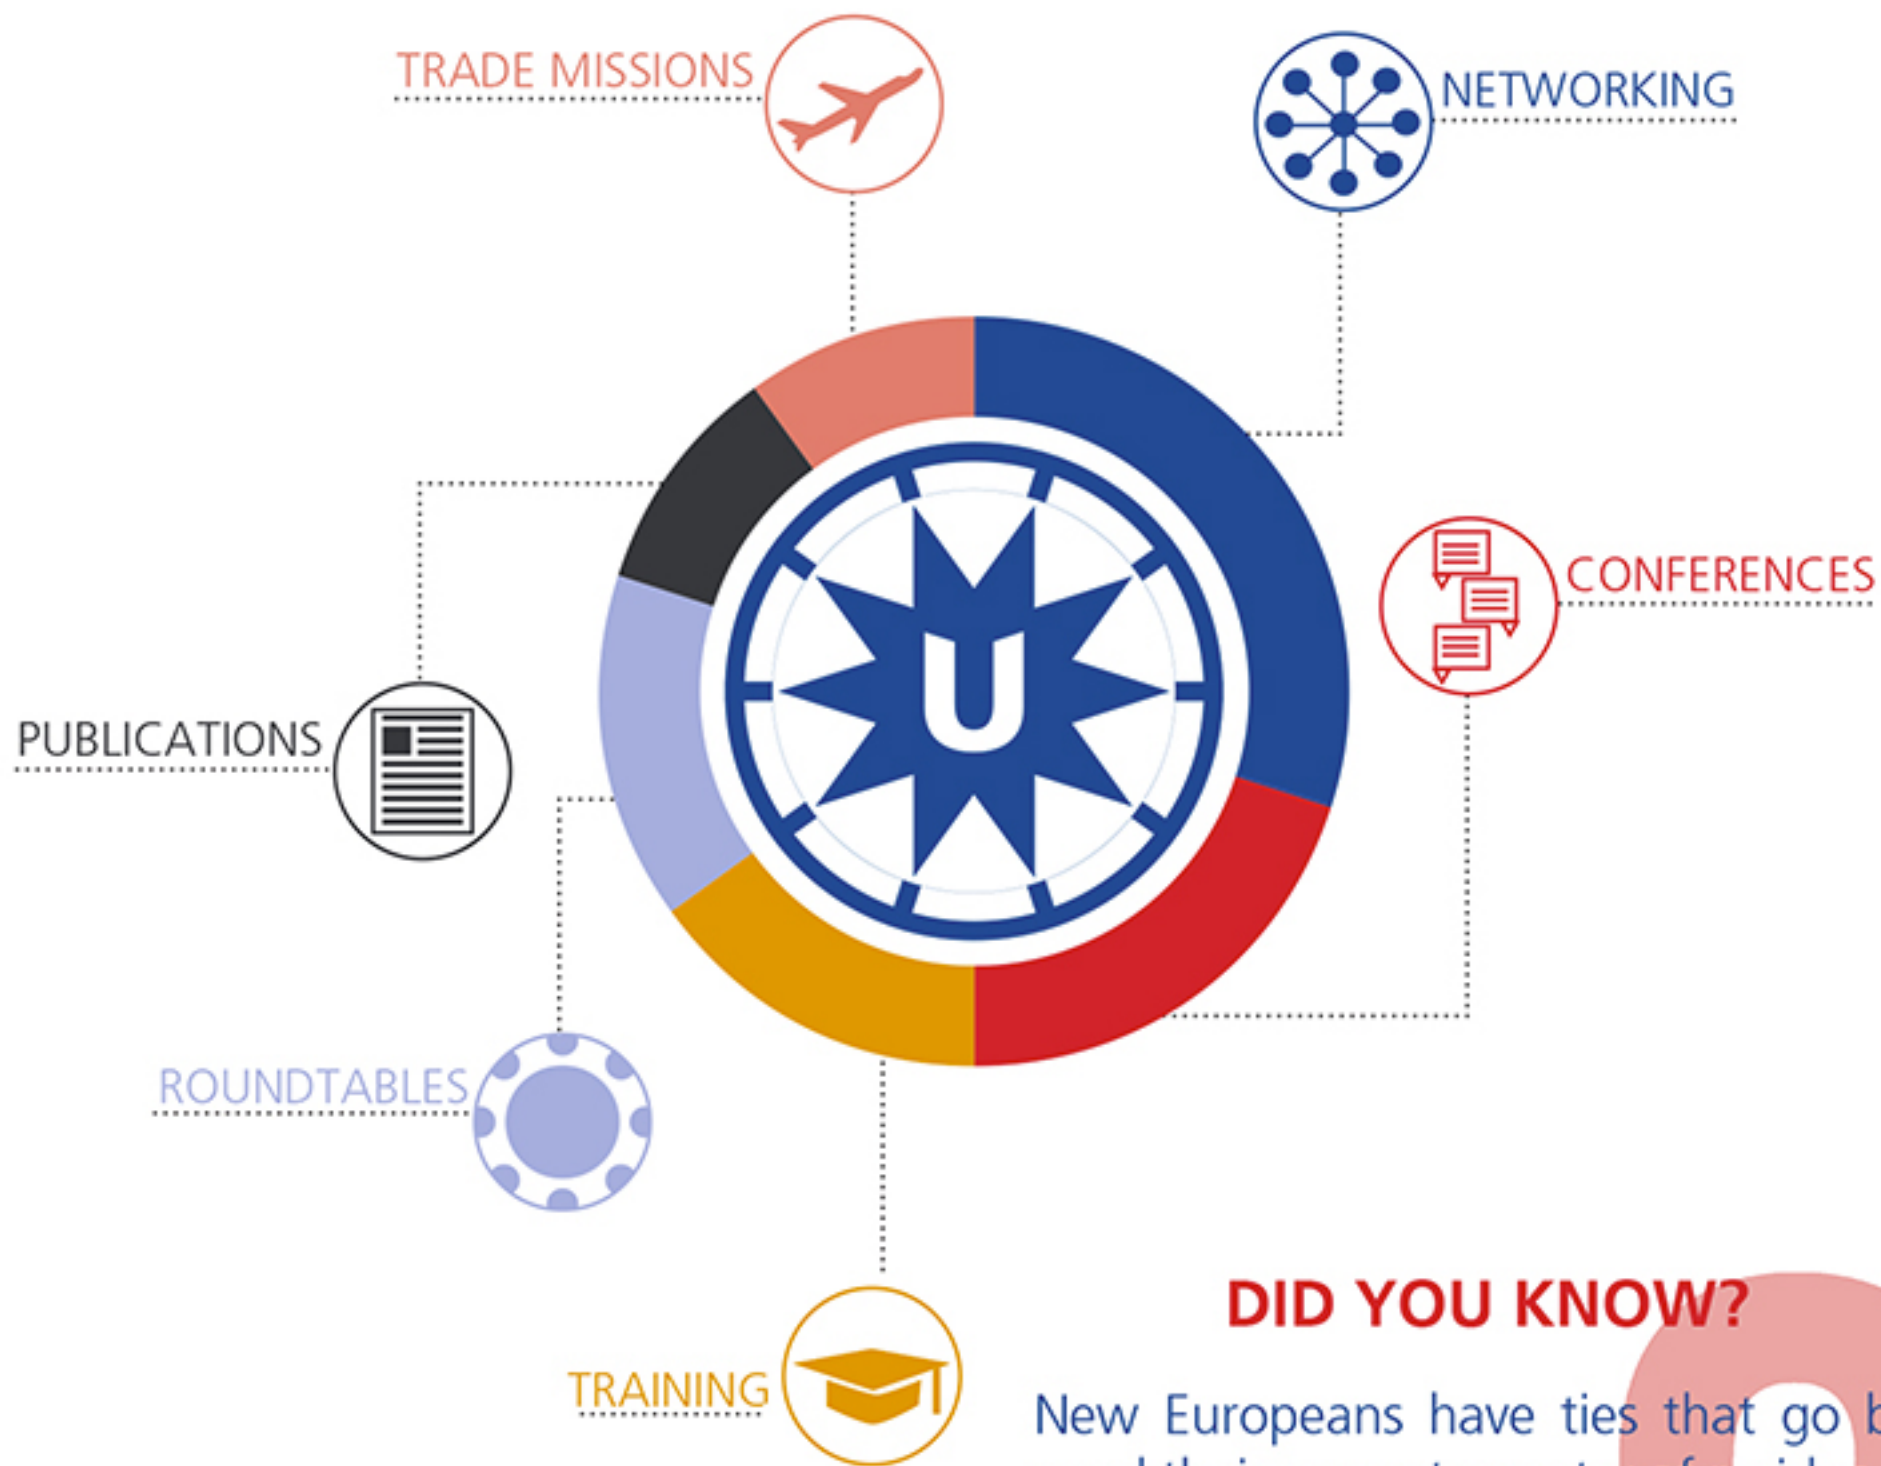

MISSION

EUROPEAN ADVOCACY

Advocate for our members to local, national and European public authorities to reach a common understanding on the role of New Europeans in the European society.

OTHER SERVICES

Provide our members with a wide range of services to aid in their economic, social and cultural development. We encourage them to play a stronger role in their country of residence and at the European level.

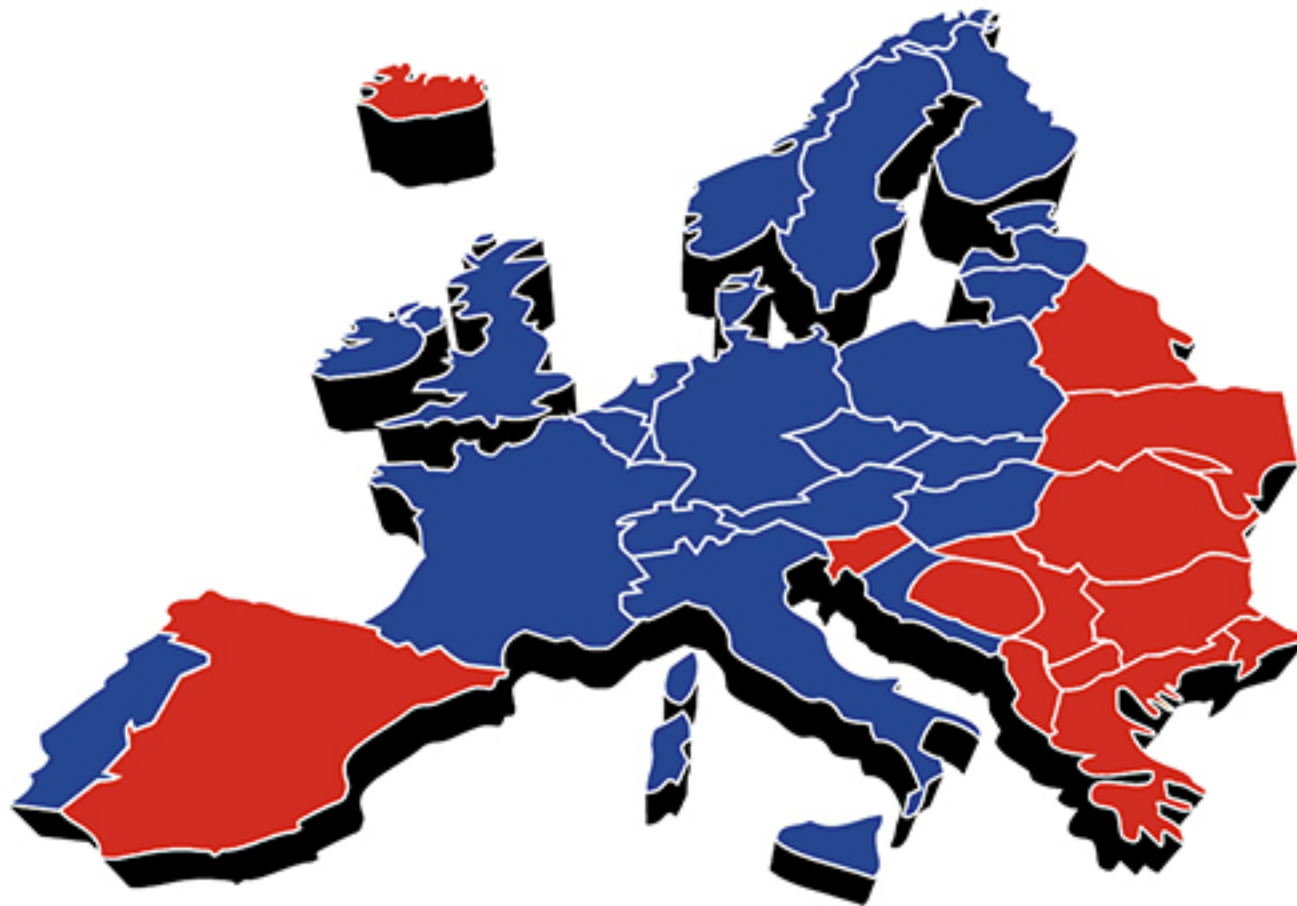

ACTIVITIES

DID YOU KNOW?

New Europeans have ties that go beyond their current country of residence, thus possessing at least a dual cultural and linguistic background.

More businesses are created by New Europeans than their native counterparts, in relative terms, contributing to job creation across Europe.
